RULES

The FIS Eastern Europe Cup (EEC) serves as the Continental Cup for the region, which includes Kazakhstan. This series offers athletes from Kazakhstan - as well as those with AIN status - an opportunity to earn additional World Cup participation quotas, over and above the limits established for each country.
While international athletes may participate under general FIS conditions, their results do not count toward the World Cup quota rankings.

A valid medical insurance policy is mandatory for participation.
Competitions are held in accordance with the International FIS Rules and the FIS Continental Cup Rules. A FIS code is required for participation. The minimum age of participants is 2011 year of birth.

No entry fee.

INDIVIDUAL NEUTRAL ATHLETES (AIN)

Participation of athletes under the Individual Neutral Athlete (AIN) program is permitted. Athletes in this category who plan to compete must comply with all criteria specified in the AIN section of the FIS website, including but not limited to:
- Flags: When a flag is required for identification purposes, only the FIS flag may be used.
- Uniforms & Equipment: Uniforms, clothing, equipment, and accessories of AIN athletes and their support personnel must not reflect national colors or contain any references to Russia or Belarus.
The list of athletes authorized to compete is regularly updated in the relevant FIS section. For more details, please visit fis-ski.com
To confirm their entry, neutral athletes are requested to contact the Organizing Committee by December 7, 2026.
